

# NATURALIST FOR YOU

Presents . . .

## A HAUNTED TOUR UP BLACK STAR CANYON

By lantern light, follow the ghost of William Wolfskill up Black Star Canyon where he massacred an entire Indian village. Hear stories about grizzly bears, wolves, and jaguars. Look for tarantulas, bats, and owls. Wear your favorite Halloween costume. Beware the mysterious spooks concealed within the Chaparral. Meet at the great sandstone rock next to the pipe gate at end of Black Star Canyon Road. October 24, 2009, 7pm - 9pm.
